# Historical Review of all the Popes who have shepherded Holy Church founded by Our Lord Jesus Christ

## Introduction

### *Overview of the two hundred and sixty-six Popes*

1) Six reprobate Popes who are in the eternal fire of Hell, namely:

- ❖ Clement V
- ❖ Clement VI
- ❖ Alexander VI
- ❖ Leo X
- ❖ Paul IV
- ❖ and Clement XIV,

who in their Pontificates, though they were perverse and abominable in God's eyes, nonetheless never erred when solemnly teaching the Church in accord with their Office as Universal Doctor.

- 2) One Venerable Expiator Pope, namely Boniface VIII, who is in Purgatory which he shall leave at Christ's Return to earth to establish His Messianic Kingdom of peace. This Venerable Expiator is the only Pope who was antipope prior to becoming Pope.
- 3) Two hundred and fifty-eight Blessed Popes; of whom one hundred and ten expiated their faults and failings in Purgatory.
- 4) One Pope happily reigning.
- 5) Of the two hundred and sixty-six Popes, only one resigned, namely Saint Celestine V.
- 6) During their respective Pontificates, the first seventeen Popes were Superior-Generals of the Order of Essenes or of Mount Carmel by automatic succession.
- 7) Throughout the history of Christ's Holy Church, all the Popes, including the six reprobates and the Venerable Expiator, at all times vigorously opposed the abolition of Sacrosanct Priestly Celibacy.
- 8) In parallel with the Pontificates of the Popes who have shepherded Christ's Holy Church, down through the centuries there have been more than one hundred antipopes who sowed cockle all about.
